

BENEDICTINE COLLEGE

About The Library

The present building, completed in 1968, houses the combined collections of Benedictine College and St. Benedict's Abbey, numbering approximately 250,000 books and bound periodicals. The library subscribes to a collection of more than 69,000 electronic books and provides access to over 40 periodical databases.

Our special collections include some 6,000 items especially rich in Benedictine history, editions of the Rule of Benedict, Emblem books, and 19th century U.S. Federal documents covering the Exploration and Surveys period.

The Library is a partial depository of U.S. Government Documents.
