CREATE AUTHORIZED USERS FOR STUDENT BILLING/PAYMENTS
In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), you can give others (your parent, grandparent, guardian, or anyone who helps you understand your financial situation at Benedictine) the ability to access your account information. This also allows Benedictine College personnel the ability to discuss financial matters with individuals you have designated. You can create Authorized Users through RavenZone, View and Pay Account.

ABOUT YOUR FINANCIAL AID OFFER

THE OFFER LETTER
Your offer letter reflects the maximum federal, state, and institutional aid that is available to cover educational expenses while attending Benedictine College for 2022–2023. The figures are derived from the information you submitted on your FAFSA (Free Application for Federal Student Aid). You are not required to accept any of the financial aid components. You may even choose to use only a portion of the aid components (e.g., loans) if the full amount awarded is not needed. However, if any aid component is declined, alternative means for funding your education (private loans, scholarships from outside entities, payment plans, etc.) are your responsibility.

COST OF ATTENDANCE BUDGET FOR 2022–2023
The Cost of Attendance (COA) is a budget that each college/university is required to create that establishes the maximum amount of financial aid you may receive. It involves two types of costs: direct and indirect. Direct costs are referred to as costs that are usually charged to the student by the college: tuition, room, board, fees, and books. Indirect costs are expenses that you may incur outside of the institutional costs (travel and miscellaneous/personal expenses). The projected COA for a beginning freshman residing on campus for the 2022-2023 academic year at Benedictine College is $51,050.

THE TOTAL AID AWARDED
This amount refers to your anticipated direct costs as an on-campus student at Benedictine College. While this amount is anticipated, it is important to consider that each student’s enrollment is unique. Your financial situation may cause your actual costs to deviate from this amount.

GRANTS & SCHOLARSHIPS
This type of aid does not require repayment (free money!). Award items in this section may include federal and state grants, institutional awards, and scholarships from outside sources. Federal and state awards are subject to eligibility requirements as identified by the awarding agency. Institutional awards may be merit-based (academic) or performance-based (student-athlete awards or music/theatre).

LOANS (SELF-HELP AID)
Self-help aid refers to awards that require repayment (e.g., student loans). By completing the FAFSA, you are eligible to participate in the Federal Direct Loan Program with award amounts being established according to your class status (FR-SO-JR-SR). The amount on the offer letter reflects your maximum eligibility, and cannot be increased unless you have completed enough credit hours.
SUBSIDIZED FEDERAL DIRECT STUDENT LOAN

The subsidized Federal Direct Student Loan is need-based and accrues interest that the federal government pays while you are enrolled at least half-time. The loan proceeds that are applied to your account are reduced by an origination fee**.

Completion of the FAFSA is required to access this loan. After signing your Financial Aid Award Letter, first-time borrowers are required to complete an Entrance Counseling session, as well as sign a Master Promissory Note (MPN). Failure to complete these requirements will delay the disbursement of funds to your billing account.

UNSUBSIDIZED FEDERAL DIRECT STUDENT LOAN

The unsubsidized Federal Direct Student Loan is not need-based and accrues interest* while you are enrolled at least half-time. The loan proceeds that are applied to your account are reduced by an origination fee**.

Completion of the FAFSA is required to access this loan. After signing your Financial Aid Award Letter, first-time borrowers are required to complete an Entrance Counseling session, as well as sign a Master Promissory Note (MPN). Failure to complete these requirements will delay the disbursement of funds to your billing account.

FEDERAL DIRECT PARENT PLUS LOAN AFTER MAY 1

The Parent PLUS loan is a tool parents may use to assist their students with paying their educational expenses after the student’s financial aid eligibility options are exhausted. The interest rate for this loan is established by the U.S. Dept. of Education prior to the beginning of the upcoming academic year. Loan proceeds applied to the student’s account will be reduced by an origination fee**.

WORK STUDY

Work Study is a student’s employment with the college while enrolled. Funding for work study positions is provided on a limited basis by department. Consequently, the number of available positions is also limited. Students interested in applying for a work study position can access the link within the Helpful Resources section of their RavenZone account. The link will be open for new applications each year in July. Student paychecks are issued in accordance with Benedictine College payroll schedules. Work study earnings are not applied to the student’s billing account and should be considered discretionary spending money earned throughout the semester.

ALTERNATIVE (PRIVATE) LOANS

These loans are available via private lenders. These loans are available to the student as the borrower, and in some instances, to the parent as the borrower (subject to lender availability). Most commonly, such loans require a co-signer. The applicable interest rate is determined by the applicant/co-signer credit score and by the individual lender’s loan program offering. A list of available lenders can be accessed via the www.benedictine.edu/financial aid.

* Establish annually by the U.S. Dept. of Education prior to the beginning of the upcoming academic year.
** Established annually by the U.S. Dept. of Education and applicable to any loans disbursed during the specified academic year.

HOW DO I KNOW IF I AM ELIGIBLE FOR WORK STUDY?

All students are eligible to apply for employment through the Work Study program. Priority is given to students exhibiting financial need, as determined by the annual submission of the Free Application for Federal Student Aid (FAFSA). Please contact the Financial Aid staff with additional questions about Work Study eligibility. In addition to the campus department opportunities listed to the right, our campus dining services partner hires students for a variety of positions throughout the year.

DO I GET PAID OR IS IT A CREDIT AGAINST MY TUITION?

Work Study is not a credit against your tuition. Students must work to earn this funding. Students are paid biweekly via direct deposit and the funds are available for your personal expenses.

AM I GUARANTEED AN ON-CAMPUS JOB IF I AM ELIGIBLE?

No, we cannot guarantee a job for every Work Study eligible student. Students are responsible for applying for positions and scheduling interviews with the supervisor.

HOW DO I FIND A JOB?

Complete a Work Study application in RavenZone. A list of academic and administrative offices that hire Work Study student personnel is located in RavenZone and in the column to the right. Your application will be directed to the department(s) you have expressed a desire to work for. We recommend you follow your application with an email of interest to the department contact.

WHICH DEPARTMENTS HIRE WORK STUDY STUDENTS?

RavenZone provides a list of academic and administrative offices that hire Work Study personnel. Keep in mind, however, that academic departments frequently reserve positions for sophomore through senior-level students who are majoring in those disciplines.

ARE STUDENTS REQUIRED TO PARTICIPATE IN THE WORK STUDY PROGRAM?

No, Work Study is an optional program.
YOU'VE BEEN HIRED!

Congratulations! You will be issued “new hire tasks" to complete within our payroll system. Look for information in your inbox from Paylocity.

GENERAL INFORMATION ABOUT STUDENT EMPLOYMENT:

- Work Study positions are typically 3–5 hours per week and pay the federal minimum wage of $7.25 per hour.
- Paychecks will be deposited directly into the checking account obtained from your voided check. Students are paid on a biweekly schedule.
- Time sheets are maintained electronically within Paylocity. Students are responsible for entering their time worked. A supervisor must always verify the hours worked within Paylocity prior to payment.

ALTERNATIVE PRIVATE LOANS
1. Go to https://choice.fastproducts.org/ FastChoice/home/1025600/1
2. Choose “Start Borrowing Essentials”
3. Follow the instructions

If you are approved for the loan it may take 5–6 weeks before funds are applied to your student billing account.
HOW MUCH SHOULD I BORROW?

We strongly encourage borrowers to carefully weigh the need for loans and to borrow only what is actually needed. We encourage you to estimate and plan your repayment obligations prior to borrowing.

For federal student and parent loans, borrowers should be aware of the repayment options that are available. In addition, there are a number of deferment or forbearance provisions available once the loan is in repayment. Some qualifying majors and professions, such as teaching, may benefit from federal and state loan forgiveness/cancellation provisions.

HOW DO I TRACK AND MANAGE MY STUDENT LOANS?

To keep track of your student loans or to contact your loan servicer for repayment, log on to the Federal Student Aid website at https://studentaid.gov or call the Federal Student Aid Information Center at 1-800-433-3243 (TTY 1-800-730-8913). The FSA ID that was used as your electronic signature when completing the FAFSA must also be used to gain access to NSLDS.

This website will not only show you the amount of the federal loans you borrowed, but also who is the servicer for your loan(s). The servicer is the entity you will be corresponding with to coordinate repayment.

HOW DO I REPAY MY STUDENT LOANS?

Your loan service provider will provide information about repayment and will notify you of the date loan repayment begins. It is very important that you make your full loan payment on time either monthly (which is usually when you will pay) or according to your repayment schedule. If you don’t, you could end up in default, which has serious consequences (See What is Loan Default?). Student loans are real loans—just as real as car loans or mortgages. You have to pay back your student loans. Can you repay your loans while in school? Yes. Contact your loan servicer through nslds.ed.gov.

HOW DO I QUALIFY FOR TEACHER LOAN FORGIVENESS/CANCELLATION?

If you are a full-time teacher and have taught for five complete and consecutive academic years in certain elementary and secondary schools and educational service agencies that serve low-income families, and meet other qualifications, you may be eligible for forgiveness of up to a combined total of $17,500 on your Direct Subsidized and Unsubsidized Loan. If you have PLUS Loans only, you are not eligible for this type of forgiveness. More information on this can be found on the Department of Education’s website at: https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/teacher.

HOW DO I QUALIFY FOR PUBLIC SERVICE LOAN FORGIVENESS?

You may qualify for this program if you work in a public service job. There are multiple jobs that are considered public service, some of which are military service, law enforcement, and public education.

The Public Service Loan Forgiveness (PSLF) Program provides for forgiveness of the remaining balance of a borrower’s eligible loans after the borrower has made 120 qualifying payments on those loans. In general, only borrowers who are making reduced monthly payments through the Direct Loan Income Contingent or Income Based repayment plans will have a remaining balance after making 120 payments on a loan.
DEBT MANAGEMENT CONTINUED

WHAT REPAYMENT PLANS ARE AVAILABLE TO ME?

When it comes time to start repaying your student loan(s), you can select a repayment plan that’s right for your financial situation. Generally, you will have from 10 to 25 years to repay your loan, depending on which repayment plan you choose.

STANDARD REPAYMENT

With the standard plan, you will pay a fixed amount each month until your loans are paid in full. Your monthly payments will be at least $50, and you will have up to 10 years to repay your loans. Your monthly payment under the standard plan may be higher than other plans because your loans will be repaid in the shortest time, which means you may pay less interest.

EXTENDED REPAYMENT

Under the extended repayment plan, you will pay a fixed annual or graduated repayment amount over a period not to exceed 25 years. If you are a FFEL borrower, you must have more than $30,000 in outstanding FFEL Program loans. If you are a Direct Loan borrower, you must have more than $30,000 in outstanding Direct Loans.

This is a good plan if you will need to make smaller monthly payments. Because the repayment period will be between 10 and 25 years, your monthly payments will be less than with the standard plan. However, you may pay more in interest because you are taking longer to repay the loans. Remember that the longer your loans are in repayment, the more interest you will pay.

GRADUATED REPAYMENT

With this plan, your payments start out low and increase every two years. The length of your repayment period will be up to 10 years. If you expect your income to increase steadily over time, this plan may be right for you.

Your monthly payment will never be less than the amount of interest that accrues between payments. Although your monthly payment will gradually increase, no single payment under this plan will be more than three times greater than any other payment.

To calculate your estimated loan payments, go to the Graduated Repayment Plan Calculator.

INCOME-BASED REPAYMENT (IBR)

Under IBR, the required monthly payment is capped at an amount that is intended to be affordable based on income and family size.

You are eligible for IBR if the monthly repayment amount under IBR will be less than the monthly amount calculated under a 10-year Standard Repayment Plan and exceeds 15 percent of the difference between your adjusted gross income (AGI) and 150 percent of the poverty line for your family size in the state where you live. If you repay under the IBR plan for 25 years and meet other requirements, you may have any remaining balance of your loan(s) cancelled.

Additionally, if you work in public service and have reduced loan payments through IBR, the remaining balance after 10 years in a public service job could be cancelled. For more important information about IBR go to IBR Plan Information.

INCOME-CONTINGENT REPAYMENT PLAN (ICR)

Under this repayment plan, payments are calculated each year and are based on your annual income, family size, and the total amount of your Direct Loans for up to 25 years. If you are married, your spouse’s income is included into your annual income calculation.

Eligible federal loans are the Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans made to graduate or professional students, and Direct Consolidation Loans (except Direct PLUS Consolidation Loans). Any loans under the FFEL Program and Direct PLUS Loans made to parents, unless consolidated into a Direct Consolidation Loan on or after July 1, 2006, are not eligible for this repayment program. If you have not repaid your loans after 25 years, any unpaid portion will be forgiven. Taxes may need to be paid on any amount that has been forgiven.

INCOME-SENSITIVE REPAYMENT PLAN

This is available to borrowers who have FFEL Program Loans. Payments under this plan increase or decrease based on your annual income.

Your monthly payment is based on your annual income and as your income changes, so do your payments. Your loan payments are spread out over the maximum of 10 years. Direct Loans are not eligible under this program.

If, because of the PUT Program, you have FFEL Program Loans owned by the U.S. Department of Education, contact your loan servicer. If you have FFEL Program loans that are not owned by the U.S. Department of Education, contact your lender. Loan servicers’ and lenders’ contact information can be found on the National Student Loan Data System (NSLDS) website: repay-loans/forgiveness-cancellation/charts/teacher.

4. Pay through other means. If you plan to use funds from a 529 College Savings Plan or other specialized monies (e.g., military benefits) to pay your account, please inform the Office of Student Billing at 913-360-7403.

I AM EXPECTING A REFUND, WHAT ARE MY OPTIONS?
If you have a credit balance on your account, you can use it for the following:
• Purchase books through the College Virtual Bookstore, before the semester begins, with a Book Voucher obtained by the Office of Student Billing.
• Purchase Raven Bucks.
• In the first full week of the semester, receive an electronic refund of the credit to your bank account. Enroll through RavenZone, View and Pay Account. Electronic refunds (eRefunds) are processed securely through the college’s online partner, TouchNet. If you do not enroll in electronic refund, a paper check in the amount of the refund will be mailed to your home address.

Call the Office of Student Billing at 913-360-7403 with any questions.
WHO IS ELIGIBLE TO RECEIVE FEDERAL FINANCIAL AID?
You must be a U.S. Citizen; have a valid Social Security number; have a high school diploma, a GED, or pass the ATB test; and be enrolled or accepted for enrollment in a degree or certificate eligible program.

WHAT IS THE FAFSA?
It is the Free Application for Federal Student Aid. Completion of the FAFSA is required to be eligible for Federal/State grants and loans. You can complete it online at https://studentaid.gov.
This online application must be signed electronically by both the student and one parent. Each must obtain an FSA ID that will be used to complete the FAFSA. The login can be obtained at https://studentaid.gov.

WHEN SHOULD I FILE THE FAFSA?
After October 1 of your senior year in high school.

DO I HAVE TO COMPLETE THE FAFSA EACH YEAR?
Yes. Funding for federal programs changes from year to year. A FAFSA must be completed each year to be eligible for federal and state financial aid.

WHAT IS BENEDICTINE COLLEGE’S TITLE IV SCHOOL CODE?
010256

DO I HAVE TO FILE FEDERAL INCOME TAX RETURNS BEFORE COMPLETING THE FAFSA?
Effective for the 2022-2023 FAFSA, the FAFSA uses tax information from the 2020 tax year (referred to as “prior-prior” year). Most everyone that is filing a 2022-2023 FAFSA should have completed their 2020 taxes. This will allow you to have all relevant tax data imported into the FAFSA directly from the IRS via the Data Retrieval Tool (DRT). Utilizing the DRT is the best way to provide the correct data to determine your true eligibility for financial aid.

WHAT DOCUMENTS DO I NEED TO COMPLETE THE FAFSA?
You will need: your Social Security Number, Driver’s License, Federal Income Tax Return, or IRS Tax Return Transcript, bank statements, and investment records.

HOW DO I KNOW IF IT WILL BE WORTHWHILE FOR ME TO COMPLETE THE FAFSA?
If your expected family contribution (EFC) is less than the cost of attendance (COA), you may benefit from completing the FAFSA. We suggest at least completing it for the first year to see what the results will be. The FAFSA must be completed by April 1 to qualify for any aid from the state. Students will need to file the FAFSA to be able to participate in the Work Study program or utilize the Federal Direct Student Loan Program.

WHAT IS AN “EFC”?
The acronym “EFC” stands for Expected Family Contribution. It is the result from the FAFSA as calculated by the Department of Education. It is used to determine eligibility for need-based aid programs, such as Pell Grants, Institutional aid, and federal need-based loans.

WHAT ARE INSTITUTIONAL SCHOLARSHIPS?
Scholarships provided to students based upon academic performance (GPA and ACT/SAT/CLT scores), athletic or extracurricular participation, or awards provided through the school’s endowment.

WHAT IF MY FAMILY HAS ENCOUNTERED SPECIAL CIRCUMSTANCES NOT COVERED IN THE FAFSA?
A request for special consideration allows a student to report unusual circumstances that may impact his or her ability to afford an education at Benedictine College. Students may submit the Special Circumstances Forms for consideration and submissions will be reviewed on a case-by-case basis. The forms are available at Benedictine.edu/admission/tuition/forms.

IF I AM CONSIDERING TRANSFERRING TO BENEDICTINE COLLEGE WHAT SHOULD I DO?
You should complete the admission process and have official transcripts from all schools you attended sent to Benedictine. You also should add our school code (010256) to your list of colleges on your FAFSA. We will notify you by email when your Official Financial Aid Offer Letter is available to view in RavenZone.
WHAT DOES IT MEAN IF I AM SELECTED FOR “VERIFICATION”?

The Department of Education selects a portion of all FAFSA applications for a process called verification. The school you are attending must verify certain information listed on your FAFSA. You will need to complete the verification process as identified by Benedictine College. If you were successful in utilizing the IRS DRT, the majority of the verification may be complete. You will receive notification from Benedictine regarding any additional information requirements needed. This process may affect your original EFC.

WHAT IS A TAX RETURN TRANSCRIPT?

The IRS Tax Return Transcript is the official record of your income tax filing for a specific year. It can be accessed at www.IRS.gov/transcript. IRS tax return transcripts are available 7–10 days after electronically filing your income taxes.

Tax transcripts are provided directly from the IRS.

HOW CAN I SUBMIT MY VERIFICATION DOCUMENTS?

Documents can be uploaded directly to Benedictine College via the document upload feature in the student’s RavenZone account. This process is explained in further detail in the correspondence provided to the student about their verification needs. For security and protection of your confidential personal information, emailing documents is not recommended. Documentation can be submitted via U.S. Mail or UPS to:
