Credit hour compliance guidelines for all CSCI courses

We define the following for the average student in any CSCI course:

Activity	
Assigned readings	1 hour for every 10 textbook pages
(Individual) problem sets ("Homeworks")	4 hours per problem set
(Individual) small projects ("Programs")	4 hours per individual project
(Team) large project	6 hours per week per student during the time period allocated for each team project assignment
Exam study/review	3 hours of study for each hour of exam time
Labs	0 to 2 hours outside of class working on labs, depending on the course
