Part 5: Required Immunizations and Tuberculosis Screening

The Benedictine College policy REQUIRES that all newly admitted or readmitted students born after January 1, 1957 show proof of TWO vaccinations for Measles, Mumps, Rubella; show proof of Meningitis vaccine; complete tuberculosis screening stated below; show proof of Tetanus/Diphtheria vaccine; and show proof of Tetanus/Diphtheria booster. Failure to do so will result in being placed on administrative hold (i.e. you will be blocked from enrolling in future classes). History of Measles is NOT acceptable. Please submit one of the following:

- This personal record completed by a healthcare giver
- OR a physician or clinic report
- OR a copy of your school immunization record

A. REQUIRED MMR (Measles, Mumps, Rubella)

Regarding the recent measles outbreak across the country, Benedictine College will follow all Kansas Department of Health and Environment (KDHE) and Atchison County Health Department recommendations and guidelines.

If the college receives a reported positive measles case, any student who is not fully immunized with the measles vaccine and has no documentation showing immunity to the measles may be asked to leave the campus and stay away from school/activities for up to 21 days each time an exposure occurs.
