The PowerScore GRE Quantitative Reasoning Bible

The PowerScore GRE Quantitative Reasoning Bible is the definitive study guide for the Quantitative Reasoning section of the GRE. From the fundamentals of operations to the complexities of functions in the coordinate plane, *The GRE Quantitative Reasoning Bible* analyzes every question type tested and provides the most efficient methods for attacking those questions. The Quantitative Reasoning portion of the GRE is unlike other math tests, as it assesses not only your ability to perform mathematical operations, but also your aptitude for reasoning and recognizing unconventional solution methods. Written by an GRE expert, this 475-page book reveals secrets of the GRE for both the mathematically-challenged and the Calculus graduate, making the questions seem less like math and more like puzzles. Ideal for both high and low scorers, *The GRE Quantitative Reasoning Bible* provides students with a significant edge that increases their confidence, mathematical mastery, and test scores.

Verbal Advantage: 10 Steps to a Powerful Vocabulary by Charles Harrington Elster

ISBN-13: 978-0375709326 ISBN-10: 0375709320 Edition: 1st Pub. September 26, 2000 Amazon: \$13.53

Verbal advantage has both hardback and audio versions. Verbal advantage is the most comprehensive vocabulary program in English language. Unlike other vocabulary books, it provides a complete learning experience, with clear explanations of meanings, word histories, usages, pronunciation, and more. Far more than a cram session for a standardized test, the book is designed as a lifetime vocabulary builder, teaching a vocabulary shared by only the top percentage of Americans, with a proven method that helps knowledge last.
