

GRE Information: 2017-2018

GRE Homepage: <http://www.ets.org/gre>

What is the GRE? GRE = Graduate Record Exam (revised General Test); the GRE features question types that reflect the kind of thinking you will do in graduate or business school.

When should I take it? SHORT ANSWER = Fall semester senior year. There are EXCEPTIONS!
Some Exception Examples: Subject Test scores take 6 weeks to arrive (so plan ahead!) Some Graduate programs and Fellowships want GRE scores before senior year. Circumstances Differ; Do NOT make assumptions!

GRE SCORES...

3 scores are reported on the GRE revised General Test:

Verbal Reasoning score is reported on a 130–170 scale, in 1-point increments.

Quantitative Reasoning score is reported on a 130–170 scale, in 1-point increments.

Analytical Writing score is reported on a 0–6 level, in half-point increments.

Valid? GRE scores are valid for 5 years after the testing year in which you tested (July 1–June 30).

Who Gets Your Scores? Send scores to 4 places ON TEST DAY (cost included in test payment); you'll pay a fee for each score sent out later. Designate each Grad School or Fellowship you want to receive GRE scores.

Re-takes? You can take the test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously.

When are Scores SENT? For Computer-delivered Testing, GRE score reports are sent to GRE score users who test takers designate to receive their scores approximately 10–15 days after the test date.

Testing Accommodations for Individuals with Disabilities or Health-related Needs

[Testing accommodations](#) are available for test takers who meet ETS requirements.

Registration Procedures: The Bulletin Supplement for Test Takers with Disabilities or Health-related Needs contains procedures and forms for requesting testing accommodations. The Supplement should be used in conjunction with the information and registration form(s) in the GRE® Information and Registration Bulletin. <http://www.ets.org/gre/subject/register/disabilities> NOTE: Online registration is not available for test takers with disabilities or health-related needs requesting accommodations; or for test takers requesting fee reductions, standby testing or Monday testing.

NOTE: All test takers requesting any accommodations must register by mail through ETS Disability Services and have their accommodations approved before their test can be scheduled.

Your request should be submitted as early as possible, especially if you are requesting an alternate test format. Documentation review takes approximately six weeks once your request and complete paperwork have been received. If additional documentation must be submitted, it can be another six weeks from the time the new documentation is received until the review is complete. **Test takers requesting accommodations cannot register using the online registration system.** If you have a disability or health-related needs that require you to bring equipment, beverages or snacks into the testing room or to take extra or extended breaks, you must follow the accommodations request procedures in the [Bulletin Supplement for Test Takers with Disabilities or Health-related Needs \(PDF\)](#).

Send all completed requests for testing accommodations to:
